

**Nurse Practitioner Job Description:** Our Nurse Practitioners provide medical services under the supervision of our Medical Directors, OBGYNs. This is a heavy part-time position that will operate from our Macon and Warner Robins locations with occasional travel to our Milledgeville clinic. We desire a candidate who demonstrates a deep passion for our mission and those that we serve in addition to bringing experience in offering holistic care.

**Essential Duties and Responsibilities:**

- Provide prenatal care up to 28 weeks for low-risk patients in collaboration with other staff OBGYNs, NP's, RDMSs, RNs, and CCMA's
- Provide holistic care to patients related to their physical and emotional health
- Provide women's health exams
- Provide full scope STI testing and treatment
- Perform urinalysis
- Perform H&H Testing
- Provide pregnancy testing and limited obstetric ultrasounds
- Provide patient pregnancy and sexual health education and referrals
- Provide sports physicals to female patients
- Document clinical findings, observations, and medical care in patient record
- Review any clinical findings indicating concern for the viability of the pregnancy or health of the patient with the Medical Director as needed
- Provide appropriate referrals for emergency consultation and care
- Function as a point of contact for questions, needs and concerns in Patient Services
- Maintain an appropriate standard of care established by experts in the field (AAAHC, CDC, AWHONN, AIUM, ACOG, etc.)

**Education/Experience:**

- Must have and maintain a current certification and unencumbered license to serve as a Nurse Practitioner in Georgia
- Background or specialty in Women's Health and/or Obstetrics is strongly preferred

**Qualifications:**

- Agrees to our Christian Statement of Faith and Commitment of Care and Competence
- Compassion for and commitment to providing abortion alternatives
- A "team-mindset" to contribute to and benefit from working together to fulfill the organization's mission
- Ability to take initiative and be proactive
- Offer strong judgement in medical situations
- Ability to offer a compassionate bedside manner consistently

**Please submit cover letter and resume to:**
