Advocate

Responsible for ensuring that patients experience warm hospitality through relational support, advocacy and case management efforts, and follow-up care. This role is part time and will serve in our Macon, and Warner Robins locations.

Essential Duties and Responsibilities

- Provides customized support for each patient in an atmosphere of warmth and compassion through active listening and problem-solving skills
- Provides decision support
- Offers community referrals
- Assists patients with goal achievement and tracking
- Builds relationships that ensure gospel-centered care
- Appropriately follows up with the patient according to organizational guidelines
- Records all patient contact in the Electronic Medical Record System
- Cleans the patient care rooms between each patient following compliance guidelines
- Re-stocks patient care rooms with non-medical supplies when needed
- Follows established policies and procedures
- Participates in annual trainings as required by CS

Education/Experience:

- Must have a minimum of an undergraduate degree
- Experience in case management, social work, education, life coaching, or counseling preferred

Qualifications:

- Agrees to our Christian Statement of Faith and Commitment of Care and Competence
- Compassion for and commitment to providing abortion alternatives
- A "team-mindset" to contribute to and benefit from working together to fulfill the organization's mission
- Strong interpersonal skills (highly effective in working with people in a caring, gentle and motivational manner)
- Strong servant leadership skills
- Ability to take initiative, be proactive, and problem solve quickly
- Ability to organize, prioritize, and manage multiple tasks in a collaborative setting
- Able to work independently and with light supervision
